

Delphi Complete Works of Henry James (Illustrated)

Regarded as one of the key figures of nineteenth century realism, Henry James has become famous for his novels and tales that explore the clash between the Old World Europeans and New World Americans. Using an innovative method of writing from a characters point of view within a tale, James intellectual works explore issues related to consciousness and perception, producing his own inimitable impressionist style. Delphi Classics is proud to present the complete works of this important master for the first time in publishing history, providing every novel, tale, non-fiction work and a wealth of bonus material. Product Description:*

- concise introductions to the novels and other texts*
