

Hard Case III: Voyage of the Damned (John Harding Series Book 3)

John Hardings Murderers Row uncovers a name while on a standard protection gig. Soon, theyre plunging into a South American jungle stronghold on a snatch and grab rescue. Under Lynn Montoyas knife, they learn the kingpin financiers identity spreading chaos around the world.

Harding and his crew race from one locale to the next, one step ahead of a brutal financial puppet masters plans to wipe them out even after his death. In addition to his ongoing missions, Harding has agreed to fight a behemoth nicknamed The Destroyer in the converted Oakland warehouse with rigged judges. Throw in a little show business consultation, and John has his hands full with the usual: violence, Americas safety, love, and of course humor. Jack Reacher fans, say hello to John Harding, in a new series you wont put down: He grew up mean, running away from his alcoholic father at the age of 14. With a little help in the form of a new identity, the runaway becomes John Harding. While in special ops overseas, hes recruited by CIA agent Denny Strobert, who sees something besides a knack for languages and combat skills: he knows hes found a killer. - Kindle Nation Daily
