

Moll Flanders

Composed in the wake of Defoe's newfound literary success, *Moll Flanders* tells the story of an eighteenth-century woman who takes fate into her own hands by developing her skills as a thief and con artist. Traveling back and forth between England and the United States (or from one con to another), Moll's story rejects the antiquated notion of female dependence and demonstrates the full potential of a woman's endurance and autonomy.

Moll Flanders (A vida amorosa de Moll Flanders em português) é um romance do escritor inglês Daniel Defoe escrito em 1722.
