

## Red Rabbit (A Jack Ryan Novel, Book 2)

Long before he was President or head of the CIA, before he fought terrorist attacks on the Super Bowl or the White House, even before a submarine named Red October made its perilous way across the Atlantic, Jack Ryan was an historian, teacher, and recent ex-Marine temporarily living in England while researching a book. A series of deadly encounters with an IRA splinter group had brought him to the attention of the CIA's Deputy Director, Vice Admiral James Greer as well as his counterpart with the British SIS, Sir Basil Charleston and when Greer asked him if he wanted to come aboard as a freelance analyst, Jack was quick to accept. The opportunity was irresistible, and he was sure he could fit it in with the rest of his work. And then Jack forgot all about the rest of his work, because one of his first assignments was to help debrief a high-level Soviet defector, and the defector told an amazing tale: Top Soviet officials, including Yuri Andropov, were planning to assassinate the Pope, John Paul II. Could it be true? As the days and weeks go by, Ryan must battle, first to try to confirm the plot, and then to prevent it, but this is a brave new world, and nothing he has done up to now has prepared him for the lethal game of cat-and-mouse that is the Soviet Union versus the United States. In the end, it will be not just the Pope's life but the stability of the Western world that is at stake... and it may already be too late for a novice CIA analyst to do anything about it. Clancy creates not only compelling characters but frighteningly topical situations and heart-stopping action, wrote *The Washington Post* about *The Bear and the Dragon*. Among the handful of superstars, Clancy still reigns, and he is not likely to be dethroned any time soon. These words were never truer than about the remarkable pages of his breathtaking new novel. This is Clancy at his best and there is none better.

Without Remorse, by Tom Clancy This novel doesnt resolve around Jack the book tells the origin of Clark and alternates between two major story arcs. Red Rabbit, by Tom Clancy When Jack Ryan joins the CIA as an Diehard Tom Clancy fans raced to the bookstores the moment Red Rabbit hit the If youre not a member of that not-so-elite club and you havent read the new Jack Ryan novel yet, Book has lots of rhetoric, little plot or character They were married after the attempt to assassinate Pope John Paul II.Red Rabbit (Tom Clancy) Mass Market Paperback July 29, 2003. by 3.7 out of 5 stars 831 customer reviews.
