

Tess Of The DUrbervilles

Tess of the dUrbervilles: A Pure Woman Faithfully Presented is a novel by Thomas Hardy. It initially appeared in a censored and serialised version, published by the British illustrated newspaper The Graphic in 1891 and in book form in 1892. Though now considered a major nineteenth-century English novel and possibly Hardys masterpiece, Tess of the dUrbervilles received mixed reviews when it first appeared, in part because it challenged the sexual morals of late Victorian England. When Tess Durbeyfield is driven by family poverty to claim kinship with the wealthy DUrbervilles and seek a portion of their family fortune, meeting her cousin Alec proves to be her downfall. A very different man, Angel Clare, seems to offer her love and salvation, but Tess must choose whether to reveal her past or remain silent in the hope of a peaceful future. With its sensitive depiction of the wronged Tess and with its powerful criticism of social convention, Tess of the DUrbervilles is one of the most moving and poetic of Hardys novels.
